LF III	LF II	LF III	LF III	LF III	LF III	LF III	LF III	LF III	LF III

***LF = Lightfast Rating.**

Faber Castell Polychromos follows the Blue Wool Scale for lightfastness. Lightfastness measures how well pigments resist fading when exposed to light such as UV light.

LF III = Fade resistance of 100+ years. LF II = Fade resistance of 25+ years. LFI = Fade resistance of 5+ years.
